WAIT TILL NOVEMBER.

Tune-" Wait for the Wagon." The Locofoco party, boys, Are crowing mighty fierce, Since they have nominated Their "last man"-General Pierce.

They say he'll be elected In eighteen fifty-two. And march into the White House,

But that he will not do. CHORUS-Wait till November. Wait till November, Wait till November. And they'll all turn blue!

The Whigs have settled on a choice, The people will approve, Old Scott and GRAHAM are the boys To make this nation move. The Locos say they'll floor them In eighteen fifty-two And march into the White House, But that they'll never do.

Wait till November. Wait till November, Wait till November. And they'll all turn blue!

Oh, come along, my gallant boys, We'll shout a loud hurrah. As we introduce our champion, The brave old Chippewa. The Locos think they'll best him In eighteen fifty-two, And march into the White House,

But that they cannot do. Wait till November. Wait till November, Wait till November. And they'll all turn blue!

Old Scorr's the boy, my hearties, To bring down Loco game, He's sure to beat both Pierce and King, For WINFIELD is his name. They know they cannot crush him, In eighteen fifty-two, Then he'll march in the White House, For that he's bound to do.

Wait till November, Wait till November. Wait fill November, And the Whigs will put him through.
